

**IMPLIED CONSENT WARNING – EFFECTIVE JULY 15, 2026**

During the next twenty minutes you are not allowed to eat, drink, smoke, or place anything in your mouth or nasal passages. Do you have anything in your mouth at this time?

I will be requesting that you submit to a test of your breath or blood, or a combination of these two tests. If you refuse to submit to a breath test which I request, your refusal may be used against you in court as evidence of your violation of KRS 189A.010 (DUI). If you refuse to submit to the breath test and you are subsequently convicted of KRS 189A.010 (DUI) for a second or third offense within a ten (10) year period, you will be subject to a mandatory minimum jail sentence which is twice as long as the mandatory minimum jail sentence imposed if you submit to the test. If you refuse to submit to a blood test which I request, your refusal shall not be used against you in court as evidence of your violation of KRS 189A.010 (DUI). Your refusal to submit to a test of your breath or blood will result in the suspension of your driver's license by the court at the time of your arraignment. Also, if you refuse to submit to a test of your breath or blood, and you are subsequently convicted of violating KRS 189A.010 (DUI), your license will be suspended by the Transportation Cabinet.

If you take the test or tests, the results of any test taken may be used against you in court as evidence of violating KRS 189A.010 (DUI). Further, if you take the test or tests, you have the right to have a test or tests of your blood performed by a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law of your choosing within a reasonable time of your arrest and at your expense.

In the event of license suspension, you may be eligible immediately for an ignition interlock license allowing you to drive during the period of suspension, and if you are convicted of KRS 189A.010 (DUI), you will receive a credit toward any other ignition interlock requirement arising from this arrest.

During the period immediately preceding the administration of any test which I request, you will be afforded an opportunity of at least ten (10) minutes but not more than fifteen (15) minutes to attempt to contact and communicate with an attorney. Do you wish to attempt to contact an attorney at this time?

Based upon the information, which was previously read to you, I am now requesting that you submit to a test of your breath/blood.

**WILL YOU SUBMIT TO THE TEST?**

**IF THE PERSON VOLUNTARILY SUBMITS TO BREATH OR BLOOD TESTING, YOU MUST IMMEDIATELY READ THE FOLLOWING:**

Since you have submitted to the requested tests, you now have the right to have a test or tests of your blood performed by a person of your choosing described in KRS 189A.103 (a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law) within a reasonable time of your arrest, at your expense. **DO YOU WANT SUCH A TEST?**
